

MV1 Line Scan

2.2 MEGAPIXEL

available in B/W, Color & NIR

MV1 CMOS Cameras Series

Designed for ambitious applications and custom specific system solutions, wide line-up on global shutter image sensors ranging from ultra low light to HDR CMOS sensors.

- > CS-mount optionnal
- > Suitable for standard and low light applications
- > Very good NIR spectral response
- > Global shutter
- > Board level and OEM solutions available
